Venue	The meeting, hosted by the University of Pisa , will be held at the Centro Ricerca Termica (CRT) of ENEL SpA in Pisa, Italy .
Duration and Dates	One and half days, July 5-6, 2010 Specialists are strongly encouraged , however to attend the entire IAEA Technical Meeting, July 5-8, 2010
Timelines	Abstracts Due: April 30, 2010 May 16, 2010 Acceptance Notification: May 31, 2010 Full Papers and Presentations Due: June 21, 2010
	Abstracts and papers to be sent to walter.ambrosini@ing.unipi.it and S.Bilbao@iaea.org
Background	Researchers in Pisa, Manchester, Aberdeen and Beijing have been collaborating for several years in the areas to be covered by this meeting. We have organised regular meetings to monitor progress and plan future work. Now, we feel that it is an appropriate time to invite other colleagues who have an interest in this field to join in with us in such discussions at an International Specialists Meeting.
Organising Committee	Walter Ambrosini (University of Pisa), Derek Jackson (University of Manchester), Shuisheng He (University of Aberdeen), Pei-Xue Jiang (Tsinghua University, Beijing)
Style of the Meeting	<ul style="list-style-type: none"> • Informal approach, adequate time for each presentation and follow-on discussion
Topics and Application Areas	<ul style="list-style-type: none"> • Fundamentals <ul style="list-style-type: none"> ○ Heat transfer, thermal hydraulics and fluid dynamics ○ Modelling and experimental studies • Applications <ul style="list-style-type: none"> ○ Nuclear and Thermal Power. ○ Contributions on Air Conditioning, Refrigeration and Waste Processing will, however, also be welcome.
Sponsorship	The meeting is hosted and supported by the University of Pisa , in cooperation with the IAEA .
Please check the meeting website for the nomination process and nomination forms, as well as for all other logistic details. http://www-pub.iaea.org/MTCD/Meetings/Announcements.asp?ConfID=38683
