

Information on Posters

Each participant presenting a poster will have one panel at his/her disposal.

The size of each panel is: Height=2500 mm and Width=1000 mm.
Double-sided adhesive tape will be provided to fix the posters.

Overview posters will be displayed throughout the conference. Other posters (please see poster schedule) should be put up 1/2 hour before the respective session starts and removed immediately after the session to allow mounting of the posters for the next session. During the respective poster session, authors are requested to be at or close to their poster.
