

**IAEA International Symposium on Isotope Hydrology:
Revisiting Foundations and Exploring Frontiers
11-15 May 2015, Vienna, Austria**

Special Symposium Issue

of the Journal '*Isotopes of Environmental and Health Studies (IEHS)*'

All contributors to the 2015 IAEA Isotope Hydrology Symposium are **invited to submit a manuscript for the Special Symposium Issue of the Journal *Isotopes in Environmental and Health Studies***.

DEADLINE FOR SUBMISSION: 30 June 2015

SIZE: Manuscripts will be limited to a maximum of 8 printed journal pages (approximately 16 pages submitted), including Tables and Figures. Note: additional supplementary tables and figures may also be submitted, but will be published in electronic form only on the journal website.

PEER REVIEW: All manuscripts will be reviewed by the anonymous peer review process. Editorial decisions for all submitted papers are final.

SUBMISSION: Instructions for authors are on the IEHS web site:

<http://www.tandfonline.com/action/authorSubmission?journalCode=gieh20&page=instructions>.

Please be sure to select the "*IAEA Hydrology Symposium Special Issue*" for your submission.

Follow the stated IEHS preparation instructions (text, figures [coloured or b/w], tables, reference styles) for this symposium proceedings issue.
