

**Opportunities for exhibitors during the
International Conference on Advances in Radiation Oncology (ICARO-2)**

The IAEA is organizing the International Conference on Advances in Radiation Oncology at the IAEA Headquarters in Vienna, Austria from 20 to 23 June 2017.

More than 400 participants from IAEA Member States and international organizations are expected to attend the conference. To highlight the latest clinical, technological and dosimetry developments related to radiotherapy, the IAEA is planning to hold an exhibition for prominent vendors in these fields in conjunction with the conference.

The conference and the exhibition will both take place in the Vienna International Centre (IAEA Headquarters) on the aforementioned dates.

A limited amount of space will be available for commercial vendors' displays/exhibits during the conference. Interested parties should contact the Scientific Secretariat by email (ICARO2@iaea.org) by **15 August 2016**.
