

# Advances in Radiation Oncology

Vienna, Austria  
20–23 June 2017

## #ICARO2 - PRELIMINARY PROGRAMME

(Subject to change)

	Tuesday 20-Jun-2017	Wednesday 21-Jun-2017		Thursday 22-Jun-2017		Friday 23-Jun-2017		
07:30		TL - Translational Radiation Biology	TL - Small field dosimetry	TL - Applied brachytherapy	TL - QA for modern RT techniques	TL - From GTV to PTV (TBC)	TL - How to evaluate a treatment plan	07:30
08:00	Registration							08:00
09:00	Opening Ceremony	PP - Breast and Cervix	PP - Small field dosimetry	PP - Prostate - H&N	PP - QA from simulation to delivery	PS - Education and training		09:00
10:00	KL - From ICARO-1 to ICARO-2							10:00
	COFFE BREAK							
11:00	PD - Global cancer challenges and role of RT	KL - Personalized Medicine		PD - Practical implementation of new technologies in LMIC: challenges and solutions		Poster highlights		11:00
12:00		PS - Toward a radical treatment of oligometastases						12:00
13:00	LS - RT in the context of National Cancer Control or Lunch Break	LS - Physics - IGRT or Lunch Break	LS - Building a paperless RT department - challenges or Lunch Break	LS - Telemedicine or Lunch Break	LS - Physics - Motion management or Lunch Break	LS - Paediatric RT or Lunch Break	LS - [Clinical Research in Radiation Oncology] title TBC or Lunch Break	13:00
14:00	PD - Requirements for safe and effective transition to new technologies/appropriate technologies	PD - Access to high quality care: Challenges and possible solutions for LMIC		PD - Advances and challenges of technologies		KL - Combined therapies		14:00
15:00	PS - Health economics (of cancer)	PS - Imaging for planning and treatment delivery				PP - Combined therapies		PP - Brachytherapy
	COFFE BREAK							
16:00	PS - Health Economics (of cancer)	PP - Imaging for planning and treatment delivery		PS - Quality and safety				16:00
17:00	PD - Advocating RT			PS - Quality and safety (II)				17:00
18:00	Welcome Reception							18:00
19:00								19:00

KL = Keynote Lecturers  
PD = Panel Discussion  
LS = Lunch Symposium or **Lunch Break**  
PS = Plenary Session  
TL = Teaching Lecture  
PP = Proffered Papers  
D = Debate  
Poster Highlights
