Author(s): \_\_\_\_\_

Authors' organization: \_\_\_\_\_

This certifies that the above paper, as submitted to the University of Chicago as Operator of Argonne National Laboratory ("Argonne"), has been released for reproduction and distribution by Argonne or by any party to whom Argonne may transfer the rights to reproduce and distribute in any medium now known or hereafter invented. It contains no information that need be withheld from publication because of national security interest, patent considerations or other proprietary information interests.

I represent and warrant that:

- The paper contains no material to which copyright has been or will be asserted.
- The paper contains copyrighted material and permission for its use has been obtained from the copyright owner. A copy of the permission for use in this publication is attached to this form.

If authors from different organizations contribute to this paper, each organization must submit an executed Publication Release.

- Check one:  Author signs on behalf of all the authors from his/her organization
