

VISA ISSUES (Revised 1)

All persons requiring a visa for China should complete the attached VISA SUPPORT FORM and send it **before 15 July** to the Local Organizing Committee (see contacts below). Two weeks after the visa support form has been received by them, they will send you a VISA NOTICE with which you can then apply for your visa at the nearest consular representative of China.

Please note: When applying for your visa at the consular representative of China, you will be requested to complete a visa application form. On this form, the field “Name, address and phone no. of Inviting Organization or Person in China” may be completed with the following information:
