

Exhibition opportunities during the International Conference on Human Resource Development for Nuclear Power Programmes: Building and Sustaining Capacity

The IAEA is organizing the International Conference on Human Resource Development for Nuclear Power Programmes: Building and Sustaining Capacity at its Headquarters in Vienna, Austria, from 12 to 16 May 2014.

More than 300 participants from IAEA Member States and international organizations are expected to attend the conference. To highlight the latest developments related to capacity building, it is planned to hold an exhibition with vendors in these fields in conjunction with the conference. The conference and the exhibition will both take place at the Vienna International Centre on the afore-mentioned dates.

A limited amount of space will be available for commercial vendors' displays/exhibits during the conference. Interested parties should contact the Scientific Secretariat by email (HR-Conf-2014.Contact-Point@iaea.org) **before 31 October 2013**.
