

## **Opportunities for exhibitors during the International Conference on Advances in Nuclear Forensics**

The IAEA is organizing the International Conference on Advances in Nuclear Forensics: Countering the Evolving Threat of Nuclear and Other Radioactive Material out of Regulatory Control at IAEA Headquarters in Vienna, Austria from 7 to 10 July 2014.

More than 300 participants from IAEA Member States and international organizations are expected to attend the conference. To highlight the latest developments in technologies and the products available to nuclear forensics, it is planned to hold an exhibition for prominent vendors in conjunction with the conference. The conference and the exhibition will both take place in the Vienna International Centre (IAEA Headquarters) on the aforementioned dates.

A limited amount of space will be available for commercial vendors' displays/exhibits during the conference. Interested parties should contact the Scientific Secretariat by email ([NuclearForensics2014@iaea.org](mailto:NuclearForensics2014@iaea.org)) before **30 April 2014**.
