

PRESENTATIONS

Authors are requested **to upload their presentations** as early as possible but no later than 24 hours before the presentation schedule, using the **INDICO system**:

<https://conferences.iaea.org/indico>

- **Oral presentations (required):**
Format is PowerPoint (ppt or pptx) or PDF. (Sound in presentations is generally not supported.)
Should you have a different format, please contact K.Morrison@iaea.org before 1 October 2012 to see if this format can be accommodated.
- **Poster presentations (optional):**
Format is PDF.

How to upload your presentation:

1. Login into your INDICO account
2. Select "My contributions"
3. Select view of your contribution
4. Select "Edit Files" under "Files"
5. Click "Add Material"
6. Choose "Slides" as Material Type
7. Upload your slides (format: powerpoint or pdf)
8. When uploading the presentations, authors should decide if they want to restrict the access to the file.
 - The default status is public, similar to the abstract and programme.
 - If an author would like to restrict access, he/she needs to choose the button:
Private: Can only be viewed by you and users/groups chosen by you from the list of users.
 - The author **who opts for the restricted choice** should also send an email to physics@iaea.org to inform the organizer of the decision.

For information:

Speaking time allotted to presenters is as follows:

- Summaries 30 minutes
- Overviews 25 min. including 4 min. discussions
- Orals 20 min. including 3 min. discussions
