

Instructions for manuscript submission - special edition of "Food Control"

We are pleased to inform you that we have an agreement with the publishing company 'Elsevier' to have a special edition of the journal "Food Control" dedicated to papers from the FAO/IAEA International Symposium on Food Safety and Quality, held in Vienna, 10-13 November 2014

Authors/co-authors of one or more oral or poster presentations at the symposium are invited to submit manuscripts on the presentations given, or on closely related subjects, for peer review and possible publication in the special edition of the journal.

Information on the journal scope and guidelines for manuscript preparation can be found at <http://ees.elsevier.com/foodcont/default.asp>

The deadline for submission of manuscripts for peer-review is **30 April 2015**, but we would strongly encourage **early submission** to facilitate timely completion of the review process. **There will be no extension of the submission deadline.**

Instructions for submission:

The submission website for this journal is located at:
<http://ees.elsevier.com/foodcont/admin/default.asp>

If you have not previously registered in the Elsevier system, please register on the login page and follow the instructions for manuscript submission.

To ensure that all manuscripts are correctly identified for inclusion into the special issue, it is important that authors select "SI: IAEA Food Safety Symposium" when they reach the "Article Type" step in the submission process.

If you have any queries regarding the submission system, please click on the "Contact Us" link on the EES website, or email directly to authorsupport@elsevier.com. The support department can also answer e-submission system queries by telephone:
