IAEA Conference Secretariat:

Scientific Secretaries: Peter Tarren
Conference Coordinators: Martina Neuhold
Karen Morrison
Administrative Support: Yannick Ferrari

Location of the Conference:

International Atomic Energy Agency
Vienna International Centre (VIC)
Building C, 4th floor
IAEA Boardroom C
Wagramer Strasse 5
A-1400 Vienna, Austria

Tel.: (+43 1) 2600 21330 or 21336
Fax: (+43 1) 2600 29325

Working Language: English

Resolutions: No resolutions may be submitted for consideration on any subject; no votes will be taken.
Mobile Conference Application:
Participants may wish to download the conference application (App) available at Google Play and the iTunes Store. Once downloaded, simply search for “IAEA Conferences” where this conference will be featured.

The App allows you to:
- put together your own schedule and view up-to-date programme information;
- view powerpoint presentations of those speakers who have permitted their release after the presentation;
- interact with other participants and using the App submit your questions/comments during the sessions, if you wish to do so;
- towards the end of the conference, we would appreciate it, if you would provide us with your feedback using the evaluation form available at the App.

If you have questions or require assistance on the App, please contact the Registration Desk, outside the conference room, Board Room C, C Building.

PARTICIPATION IN IAEA SCIENTIFIC MEETINGS

Governments of Member States and those organizations whose activities are relevant to the meeting subject matter are invited to designate participants in IAEA scientific conferences and symposia. In addition, the IAEA itself may invite a limited number of scientists as invited speakers. Only participants designated or invited in this way are entitled to present papers and take part in the discussions.

Representatives of the press, radio, television or other information media and members of the public, the latter as “observers”, may also be authorized to attend, but without the right to take part in the proceedings.

Scientists interested in participating in any of the IAEA meetings should request information from the Government authorities of their own countries, in most cases the Ministry of Foreign Affairs or national atomic energy authority.

PUBLICATIONS

Proceedings

The proceedings of the conference containing all presentations and posters delivered at the meeting, as well as the findings and recommendations, will be published by the IAEA as soon as possible after the conference.

Orders

All IAEA publications may be ordered at the Registration Desk or directly from the Sales and Promotion Unit, International Atomic Energy Agency, P.O. Box 100, A-1400 Vienna, Austria.
Fax: (+43 1) 2600-29302
