Hotel Information

For participants who would like to reserve accommodation near the conference venue, the following two hotels are situated within 5 minutes walking distance from the Palacio Municipal de Congresos y Exposiciones:

Novotel Campo de las Naciones

<http://www.accorhotels.com/es/hotel-1636-novotel-madrid-campo-de-las-naciones/index.shtml>

Tel: +34 917211818

Hotel Pullman Madrid Airport & Feria

<http://www.accorhotels.com/es/hotel-1606-pullman-madrid-airport-feria/index.shtml>

Tel: +34 91210070

For participants who prefer to stay in the city centre the following information has been provided by the local organizers:

The city of Madrid offers a wide range of establishments to enjoy a stay in the city. They range from modest businesses, usually run by families, to top luxury hotels. For your information, each one of them has been qualified by the authorities being granted with a number of star ranking from * to ***** , which is top.

Accommodation in the city centre may have the benefit of more opportunities to enjoy free time in late spring in Madrid. The Conference might be an opportunity to also enjoy history, culture and entertainment in Madrid. Some helpful information for preparing your stay can be found at the City Tourism Bureau: <http://www.esmadrid.com/en>

Major hotel chains operate a large number of hotels in the city. Some references might be:

1. Hesperia Madrid: <http://www.nh-hoteles.es/hotel/hesperia-madrid>
2. Any of following NH hotels:
 - NH Collection Madrid Colon: <http://www.nh-hoteles.es/hotel/nh-collection-madrid-colon>
 - NH Lagasca: <http://www.nh-hoteles.es/hotel/nh-madrid-lagasca>
 - NH Zurbano : <http://www.nh-hotels.com/hotel/nh-madrid-zurbano>
3. Meliá Galgos: <http://www.melia.com/es/hoteles/espana/madrid/melia-galgos/index.html>

The above hotels are close to a metro station so should be well connected to the conference venue.

For those participants who would like to use an internet search engine to make their hotel arrangements, the following postcodes may be useful in identifying districts usually preferred by visitors to Madrid:

Madrid 28001; Madrid 28006; Madrid 28010; Madrid 28016; Madrid 28020; Madrid 28046.
