

**IAEA International Conference on Advances in Radiation Oncology,  
ICARO2**  
Vienna, Austria,  
20–23 June 2017

**IAEA GUIDELINES FOR AUTHORS ON  
PREPARATION of ORAL PRESENTATIONS**

*These guidelines are relevant to authors whose officially submitted synopsis has been accepted by the Programme Committee for Oral Presentation.*

- Prepare your Oral Presentation using **PowerPoint** or any other software creating .ppt files.
- English is the only allowed language for your slides
- Limit your PowerPoint presentation to **1 slide per each minute of presentation** (e.g. 8 minutes long presentation, maximum 8 slides).
- **How long is your presentation?** Follow the instructions below in order to have more information about your presentation.
  - Log in into your INDICO account
  - Go to “My Contribution”
  - Select your contribution by clicking in “View”
  - Click on the session link you will find to get details such as session structure, duration of your contribution/s, convener names and their emails.
- **Questions regarding your presentation?**
  - Please email your session conveners or the ICARO2 Team ([icaro2@iaea.org](mailto:icaro2@iaea.org))
- **Upload your Oral Presentations into INDICO before 21 May 2017**
  - Instructions on uploading are available on the [conference web site](#).
- **Complete & send the Biodata Form to [icaro2@iaea.org](mailto:icaro2@iaea.org) before 21 May 2017**
  - The biodata form is available on the [conference web site](#)
- **Bring your presentation on a USB stick** to the conference.

**IMPORTANT:** In case you are unable to attend the conference, inform the ICARO2 Team ([icaro2@iaea.org](mailto:icaro2@iaea.org)) as soon as possible by email.
