

JOINT RADIATION EMERGENCY MANAGEMENT PLAN  
OF THE INTERNATIONAL ORGANIZATIONS

EPR-JPLAN (2017)

**CORRIGENDUM**

1. Page 8 of 54. Next to the point “decontamination, waste management” under the column heading “Advice or assistance”, the responsible organization(s) should also include “NEA” and should read “IAEA, NEA”.

2

Tasks	Responsible organization(s)
- integration of approaches into humanitarian response to support the transition from humanitarian assistance to post-emergency recovery and human development	OCHA, UNDP
<b>Advice or assistance (on request directly from a State or through participating organization)</b>	
<b>Send</b> request for advice or assistance to relevant participating organizations or States	IAEA, (EC)
<b>Arrange</b> for advice or assistance on	
- assessment of facility conditions and accident mitigation	IAEA
- assessment of radiological consequences, potential radiological hazards and consequences of an emergency	IAEA
- protective actions and other response actions for the public, workers and emergency workers	IAEA, WHO, ILO
- meteorological information (observations, forecasts and warnings)	WMO
- atmospheric transport and dispersion predictions	WMO, CTBTO
- physical dosimetric measurement services	IAEA
- radiological assessment and application of international standards	IAEA
- radiation protection support, personnel and equipment for operations in affected areas	IAEA
- public health surveillance, risk assessment and interventions to protect human health (food and drinking water restrictions, access to and acquisition of pharmaceuticals)	FAO, WHO, PAHO, (EC)
- biological dosimetry	WHO, PAHO, IAEA
- diagnosis and treatment of radiation casualties and internal contamination	WHO, PAHO, IAEA
- mitigation of mental health impact	WHO, PAHO
- agricultural countermeasures and remediation strategies	FAO
- environmental monitoring and sampling programmes for interventions related to food and assessment of long term impact	IAEA, FAO, UNEP
- implementation and/or enforcement of control measures for imported and exported food and/or feed stuff	FAO, (EC)
- control of food and feeding stuffs	FAO, WHO, PAHO, (EC)
- re-establishing disrupted police services	INTERPOL
- relocation	IAEA, UNEP
- decontamination, waste management	IAEA, NEA
- response to a vessel involved or affected at sea or in port	IMO
- response of flight crews and civil aviation authorities, including aerodrome authorities	ICAO, WHO, PAHO
- early recovery strategy and empowering people with knowledge	UNDP
<b>Public information</b>	
<b>Check</b> for the consistency and complementarity of information available on participating organizations' public web sites	OECD NEA
<b>Confer and agree</b> , to the extent possible, on the consistency of any media releases, including those pertaining to air and maritime transportation	Relevant organizations
<b>Produce</b> situation reports in the case of a disaster or <i>complex emergency</i>	OCHA, EADRCC
<b>produce</b> humanitarian key messages for the humanitarian community	OCHA
<b>Key tasks in post-emergency (long term) phase</b>	
<b>Comprehensively assess</b> radiological consequences	IAEA, (EC)
<b>Assist</b> in recovery and remediation	IAEA, UNDP, (EC)
<b>Assess</b> and advise on public health risks	WHO, PAHO, (EC)
<b>Advise</b> on long term follow-up programmes and health surveillance of affected population	WHO, PAHO
<b>Provide</b> results of radionuclide air concentrations (or deposition) collected from global/regional monitoring network	CTBTO, (EC)
<b>Assist</b> in advance social and economic development, improving living standards, restoring community self-reliance and self-sufficiency	UNDP, (EC)
<b>Event investigation</b>	
<b>Advise or assist</b> in investigation of crimes	INTERPOL, EUROPOL
<b>Advise or assist</b> in seeking international suspects	INTERPOL

(EC) — for the EU Member States, Norway, Switzerland and the Former Yugoslav Republic of Macedonia
