

# APPLICATION OF THE CONCEPT OF CLEARANCE

IAEA Safety Standards Series No. GSG-18

(STI/PUB/2058)

## **CORRIGENDUM**

1. Page 19, Paragraph 3.8 (1). The phrase “(including any radionuclides of natural origin that are processed for their radioactive, fertile or fissile properties)” should be deleted. This correction has already been made in the PDF of the publication that is available for download.
