

IAEA SERVICE

to the development of a national
infrastructure for nuclear power

Erwin Kasma, Dr. Eng.
INDONESIA

BACKGROUND

- The country has no background experience on NPP.
- Too many issues that have to be controlled (in order to assure the same achievement in each phase).

Table I. Infrastructure Issues & Milestones

Issues	Milestone 1	Milestone 2	Milestone 3
National position			
Nuclear safety			
Management			
Funding and financing	Conditions	Conditions	Conditions
Legislative framework			
Safeguards			
Regulatory framework			
Radiation protection			
Electrical grid			
Human resources development			
Stakeholder involvement			
Site and supporting facilities			
Environmental protection			
Emergency planning			
Security and physical protection			
Nuclear fuel cycle			
Radioactive waste			
Industrial involvement			
Procurement			

OBJECTIVE

- To give technical support to the member state (who wish to introduce NPP) in develop its national infrastructure, step-by-step.

THANK YOU
