The Secretariat of the International Atomic Energy Agency (IAEA) presents its compliments to the Ministries of Foreign Affairs of Member States of the IAEA and has the honour to request that they draw the attention of the appropriate Governmental authorities to the IAEA's intention to hold a **Technical Meeting on Global Cooperation on Generic Safety Issues for Nuclear Power Plants and Measures for their Resolution** in Bonn, Germany, from **10 to 12 December 2007**. The meeting is organized in cooperation with the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety (BMU), Bonn, Germany.

Governments are invited to designate persons interested in participating in the meeting. The Secretariat would be grateful if the Information Sheet could be brought to the attention of the authorities, institutions and persons that might be interested.

Governments are kindly requested to inform the designated participants that, should they require a visa to enter Germany, they should submit the necessary application to the nearest diplomatic or consular representative of Germany as soon as possible.

The Secretariat of the International Atomic Energy Agency avails itself of this opportunity of assuring the Ministries of Foreign Affairs of its highest consideration.
